The Cottage Home Series

Built for Your Life.

For over 50 years, Dynamic Homes has been a premiere builder of homes customized to meet the needs of our customers. Our system-built construction process is more efficient and more affordable than site-built construction.

With our new Cottage Home series, you can be confident your Dynamic Home will fit your lifestyle needs now, and in the future.

OUR COTTAGE HOME SERIES IS PERFECT FOR:

- Baby Boomers looking to downsize and stay in a forever home
- Older generations looking for a home that is easy to live in and “age in place”
- Multi-generational families looking to stay together
- Families with members who have different abilities

OPTIONAL DESIGN & FEATURES

Innovatively designed to grow with you through all phases of life and meet changing needs. Cottage Homes will provide lasting comfort and style with key universal design standard and optional features:

ALL LIVEABLES ON THE FIRST FLOOR

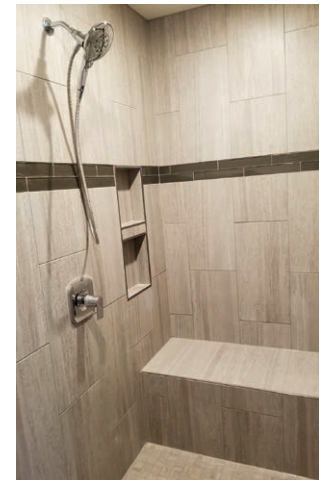

- Master bedroom/ bathroom and laundry room are on the first floor. This way, you can always get the rooms that are essential.
- You can add an upstairs and/or basement as well if you choose.
- Zero entrance into home upon request.

BETTER BATHROOMS AVAILABLE UPON REQUEST

- Minimum of one ‘Zero-Entry’ shower (always with a master bath, other locations may vary with plan)
- Structural wall framing/blocking for grab bars and other product installations
- Spacious floors
- ADA Stools

WIDE HALLWAYS & DOORWAYS

- 3 ft. wide interior/ exterior doorways (exclusive of such things as pantries, closets, etc.)
